WHO WE ARE

The Home & School Association (HSA) is a partnership between COKSM parents and educators who strive to enrich our students' educational experiences and build a stronger community. COKSM's HSA is unique in that there is no membership fee and all parents of enrolled students are automatically considered members along with teachers, staff and administration. The HSA encourages all of our Crusader community to get involved in a way that fits their means, interests and availability.

OUR MISSION

- *Enrich* a strong working relationship among students, parents & educators
- *Provide* financial support towards enhancing the educational curriculum, technological advancements and campus facilities and to aid in investing in projects focused on accomplishing our vision of continually excelling at COKSM School
- *Fund* annual bonuses and gifts for teachers and faculty
- *Inspire* the whole child by promoting faith, fellowship and philanthropy
- *Engage* our entire Crusader community
